Are you looking for an entertainment package for your Presentation Dinner, Party, Corporate or any other Golfing occasion ? Look no further !

'Loose Impediments' is a new golf cabaret performed by the male voices of the CHAD SINGERS of Pattingham.

It is a varied, fast-moving, light-hearted entertainment lasting approximately 30 to 45 minutes. It is packed with quotes, jokes, sketches and songs exploring the world of golf - bits of this and that from tee to green ! Total bunkers, bogeys and other bunkum !

All we ask in payment is a donation or collection for one of our chosen charities.
